

... Brown by any other name... compare and mix

Faber-Castell		Add Blue	Add Red	Add Violet	Add Green
#190 Venetian Red (P) Terra Cotta					
#283 Burnt Sienna (P) Sienna Brown					
#187 Burnt Ochre (P) Burnt Ochre					
FC #179 Bistre (P) Light Umber					
<b>Mix Orange and Blue</b>					
<b>Mix Red and Green</b>					
<b>Mix Violets and Yellows</b>					

❖ Try mixing different colors to create beautiful and rich **Browns** .

❖ Add different reds, greens , blues and violets to your browns to get different effects .

❖ You can reproduce common brown pencils by blending complements:

❖ Try crimson and indigo to create a black.

❖ Try pastel versions of these to create grays.

❖ You can add a brown or gray pencil to pull the colors together

*"I cannot pretend to feel impartial about colors. I rejoice with the brilliant ones and am genuinely sorry for the poor browns." ...Winston Churchill.*
