## Painting by Number

Reading about Ferdinand Bauer, I was thinking about how fun it might be to have my own color chart in $m y$ sketchbook for when I am travelling orjust drawing without color- a reference for what I might do if \| did have my colored pencils.

The chart below shows the basics- the ones / work with all the time. The ones in bold are the watercolor pencils that | really do travel with. The chart on the right is an expanded one for you to play with your favorite colors.
